City of Arabia
will support the International Festhallen Horse Event in Frankfurt
for the first time

No doubt: the U.A.E. and also the City of Dubai are showing a steady growth. Besides the modern skyscrapers with it's facades of glass and the numerous hotel grounds, the ***City of Arabia*** turns out to be another huge project in Dubai, one of the biggest trading centres in Asia.

This year the company will take the opportunity to introduce the ***City of Arabia*** – and also the U.A.E. - at the International Festhallen Reitturnier Frankfurt (from 13th to 17th December 2006) toward a greater public to get attention in Germany and Europe;

Having the size of 185 hectare, offices, schools, hospitals and also to name luxurious apartments, stores, galleries, restaurants and last but not least unique attractions will be given space in the ***City of Arabia***. Added to the ***City of Arabia*** one will find the world's biggest shopping centre, holding more than 1000 stores, the ***Mall of Arabia; DubaiLand***, a holiday park and also ***Restless Planet***, a so-called "theme park". 200.000 visitors will be expected by the year of 2009.

This "coup" has been initiated and devised by the V.A.E. expert Ms. Christine Stibi, based upon her long stay in the V.A.E. till 2005 , participating from her extraordinary connections.

She lately opened her 'Office for German – U.A.E. Relations' in Wiesbaden.
**Her intention is to initiate with new projects the consolidation
of strategic and amicable partnership
between both countries.**
