**YES, I DO want to support a new Youth “MARHABA – Friendships Initiative” in Germany !**

The philanthropic Youthproject for displaced, arab. children and young adults, living far from their Arabic cultures and their families in and near Wiesbaden is needed. With my charity please do continue with the Kicking Off of meaningful activities! Create, develop and guide more programs. Arrange more joyful and edutainment holidays! I help to care for our young arabic brothers & sisters, fleeing and living in Germany now.
